

three heroes stood hard by ready to meet the intruder.

But every story must have its end—and this is sad—the burglar did not come out—he was not there. The crowd dispersed and the Johnny-on-the-spot heroes went home too.

It might be said that the hidden mysteries of this night—the swinging of the bank alarm at 3 o'clock—has not as yet been solved.

On Wednesday afternoon the true Mission will give away a large accumulation of clothing to women and children.

BY WILLIAMS

Colorado

The Rockies bring the Alps to you and more

"In variety of harmony and form, in effect against the dark blue sky, in breadth and grandeur I know of no external feature of the Alps that can compare with it," wrote *Bayard Taylor*.

More generous than the Alps, the Rockies welcome you with drier air—more energizing — with more constant sunshine. They entertain you with a grander show of wild animals. Their big-horn sheep leap as superbly as ever chamois did. And the fair plover climbs higher than does the edelweiss of the land of Tell.

Mile-high golf. Tennis with a mountain thrill. Beckoning trails for horse-back rider or hiker. Trout-filled streams. Ranches, camps, inns, luxurious hotels.

See Denver's splendid mountain parks. Visit Rocky Mountain National (Estes) Park. Then go on to Salt Lake City and Yellowstone National Park.

Fares Greatly Reduced and War Tax Cuts

Round trip only little more than the fare one way

LAW ENFORCEMENT LEAGUE IS PLANNED NOW FOR WINONA

Upriver City Prepares to Pursue Cleanup Campaign in La Crosse Style

Steps looking toward the early completion of the organization in Winona of a Law Enforcement League were taken at a public meeting held at the First Congregational church, W. J. Norton, attorney for the Minnesota Anti-Saloon League, who at the last session of the Minnesota legislature prepared the prohibition law enforcement bill, was the principal speaker.

Formal adoption of the proposed constitution for the Law Enforcement League was given after most of the voters present had signed membership cards of the league. Election of officers was, however, postponed to a special meeting of the league membership to be called at an early date. There are now close to 500 voters affiliated with the league, and its promoters hope to largely increase this membership.

The slogan of the league is "The Law, Obey and Enforce It." Every member joining is required to sign the following declaration: "In support of the constitution of the United States I will obey the laws of our land, including the prohibition laws, will treat them always with respect, and will use any influence to persuade others to do the same. I desire to encourage and help our law enforcement officials in all possible ways."

MINERAL INDUSTRY GETTING ON FEET AGAIN
ST. LOUIS, Mo.—Conditions in the mineral industry are gradually swinging back to normal. E. H. Wolff, president of the American Zinc Institute, which is in session here Tuesday, declared. Prediction that an increase in the production of zinc in 1922 in the United States over pre-war years was also made by him.

FEARS OF NEGRO UPRISING FOUND TO BE GROUNDFLESS
MEXIA, Texas.—Reports that an uprising was imminent among negroes of Freestone county as reprisal for the lynching of four negroes there since Friday had not materialized Tuesday. Local officers say they do not anticipate further trouble. A request for state rangers was cancelled.

The Citizens' Republican State Conference of Wisconsin.

To the people of La Crosse County:

There is hereby called a Citizen's County Conference to meet at the Circuit Court room in the Court House in the City of La Crosse in said County on the 10th day of May, 1922, at eight o'clock P. M., to consider and act upon the following matters:

- 1—To form a permanent, constructive organization, based upon and in harmony with the declaration of principles adopted by the Citizen's Republican State Conference at Milwaukee, on the 26th day of October, 1921.
- 2—To choose 20 delegates and 20 alternates from said County at large to represent said County at the Citizen's Republican State Conference to be held at Milwaukee, Wisconsin, on the 1st day of June, 1922.
- 3—To adopt measures to lift the intolerable burden of taxation which will be increased by radical dictators now trying to run the State government.

We call upon all citizens, regardless of past party or factional affiliations, who subscribe to the declaration of principles herein referred to, to join this organization and attend and participate in said county conference. (Signed)

LA CROSSE COUNTY CITIZEN'S REPUBLICAN COMMITTEE.

Dated at La Crosse, Wisconsin, May 2nd, 1922.

(Authorized, published and to be paid for by La Crosse County Citizen's Republican Committee, Otto Bosshard, chairman).

FINE GROUP OF ARTISTS COMING WITH FARRAR

A splendid group of artists accompany Miss Farrar on her present tour and will visit La Crosse with her next Monday night. Geraldine Farrar is a host in herself and would alone be a sufficient attraction coming as she does from the triumph of her New York farewell and from the more recent triumph in Wisconsin where she has been received with great enthusiasm. Added however to her attractions are those of Frederick Gunster, tenor, Joseph Malkin, cellist of the Chicago Symphony orchestra, and Claude Gottlieb, pianist.

Frederick Gunster has done much concertizing of his own and is very successful and popular. Herman Davies writing of him in the "Chicago American" said, "Mr. Gunster is successful in personality and in singing, a tenor who makes you forget he is a tenor but not that he is an artist."

Though Mr. Gunster has had the advantages of European study and is a fluent linguist he champions American composers and has decided views on the use of the English language in song. Said Mr. Gunster: "The easiest, most singable language to an American ought to be English. I don't advocate singing in English to the exclusion of other languages, but as at least ninety out of every hundred concert-goers speak English, I should suggest that the proportion of songs in English on every program should be considerable. Among American songs my personal preference is for the negro spirituals. H. T. Burleigh, Wm. Reddick, David Gulon and Wm. Arms Fisher have made it possible to present songs of the negro with musically accompaniments. My own success in singing songs of this sort is due to my having heard them sung by the negroes of the south and to a certain natural ability to imitate the dialect, inflection and rhythm."

It is said this singers' most appreciative audience for the singing of such songs as "Swing Low Sweet Chariot" were the old negro servants in his former home in Birmingham, Alabama.

NORMA TALMADGE, HAROLD LLOYD—RIVOLI

Because he thought he had lost everything worth living for, Clifford Standish didn't care if his name became a byword at the Planter's Club and if he was an easy prey for every card sharp in the island of Jamaica. And then out of nowhere came Ginger, the island orphan of Spanish-English parentage, a girl with a wonderful personality and unbounded faith and courage. Resolved to save Clifford, she provided the spark of interest necessary to restore his self respect.

Such is the striking situation that gives impetus to "Love's Redemption," at the Rivoli Theater, starring Norma Talmadge. The story throbs with heart interest and a romance that tempts with tender moments.

Laughs a lot of people never dreamed they were capable of were literally scared out of them by the breathlessly thrilling stunts. Harold Lloyd performed in his inimitable comedy style in "Never Weaken" shown on the same bill. In the last reel the comedy suddenly slips into a high speed gear labeled Thrills! It maintains a mad, hilarious pace to the very last fade-out. When it is over, you are exhausted from heartiness, and sometimes hysterical laughs.

DUSTIN FARNUM—MAJESTIC
Dustin Farnum last night opened a run at the Majestic Theater in "The Devil Within." As a liquor-laden sea captain who cares little for human life and less for human feelings, he brutalizes his way to his own downfall.

fall. The years of sorrow that are his lot as a consequence soften his nature and in retirement he seeks redemption. The one tie that holds him to the world is his nephew, Hal; but the boy turns out to be a prototype of his uncle's former self. The deepest cut of all is delivered when Hal steals the secreted savings of the aged captain. An unforeseen incident deprives Hal of his strength and he too decides to live a life of normalcy. The final fade-out discloses the aged captain happy in the happiness of his nephew, who has become engaged to the charming Laura (Virginia Valli).

STRAND TODAY

There are several reasons why Russell's "Shadows of Conscience" which is to be seen at the Strand theater is a distinctly superior offering. It isn't often that you find a picture of the great West, as this is, so replete with hot action and at the same time so free from cheapness and overdrawn melodramatic situations.

The story has everything that makes real drama, including heart interest, villainy, comedy and pathos. It has a picturesque background, taking place in this country fifty years ago when morals and order were more of an individual matter than a written decree. Briefly the tale concerns the life of Jim Logan, a frontiersman who escapes to California after having been unjustly accused of the crime of murder. Here he brings up a small daughter of a miner who was killed by his partner.

The latter trails Logan and after ten years finds him happy and prosperous, the guardian of the girl who has turned out to be a beautiful young woman. He decides to "expose" Logan's past but is thwarted in his schemes by Logan's cleverness in forcing him instead to confess his own guilt.

RIVIERA WEDNESDAY, AND THURSDAY

Cullen Landis, whose debonair personality has always been welcomed by the vast army of picture fans, appears as leading man for Alice Lake in her latest starring vehicle, "The Infamous Miss Revell," which starts a run at the Riviera Theater, Wednesday.

Although one of the younger actors of the screen, Mr. Landis is considered one of the most promising and his excellent characterizations in the many productions in which he has appeared have won him a high place in the cinema world. His rise to success during the past two years has been extremely rapid.

In "The Infamous Miss Revell," Mr. Landis has the role of a youth who is compelled by his mother to try and win a bequest left by his uncle by marrying the heiress who enjoys it. He becomes a tutor to the

Easiest Way to Remove Ugly Hairy Growths

(Beauty Culture)
Here is a method for removing hair from arms, neck or face that is unfailing and is quite inexpensive. Mix a thick paste with some powdered detatone and water and spread on hairy surface. After 2 or 3 minutes, rub it off, wash the skin and every trace of hair has vanished. No harm or inconvenience results from this treatment, but be careful to get genuine detatone and mix fresh.

DEFENSE WITNESS SPRINGS SURPRISE IN BURCH TRIAL

Service Man Says He, and Not Burch, Was Seen in Santa Monica Canyon

LOS ANGELES, Calif.—Cross-examination of Oscar E. Braun, a one-armed veteran of the world war and one of the defense's "surprise" witnesses, was scheduled for Tuesday at the trial here of Arthur C. Burch for the murder of J. Helton Kennedy.

Braun testified Monday it was he and not Burch who figured in an episode at Santa Monica canyon the night Kennedy was slain.

C. S. Summar, a state witness, had previously declared he had seen Burch at that point at that time, had been blinded by the headlights of the automobile Burch was alleged to have driven, had used an epithet and later asked Burch if he would like to trade lights.

It is at the mouth of the Santa Monica canyon, the state contends, that Burch threw into the ocean the shotgun, with which Kennedy was killed.

CHARGES EFFORT TO "PACK" MILWAUKEE COUNTY MEETING

(Continued from page one)

It looks as if that is what he is trying to do."

"I do not understand why Mr. Morgan should make such statements," said Henry Verge, "There is no truth in them. I haven't a seat in the convention and I intend to be a spectator. The charges are unfounded. I have heard, however, that he is trying to pack the convention."

"My political views have never been hidden, but as a federal appointee I cannot consent to an interview as to candidates for places on the state ticket," said James Stone, federal prohibition director, when asked as to his preference for governor in the contest between Mr. Morgan and Mr. Dittmar.

WOUNDS SELF IN SHOOTING AFFAIR HERE

(Continued from page one)

around the bath room which is just across the hall from her room. She was of the opinion that it was her husband. Mrs. Shannon had started divorce proceedings against her husband, complaining that she had been abused. Police stated that he was locked up at Central station on April 23 on complaint of Mrs. Shannon that he had mistreated her. Since that time she has refused him any attention, it was said, and this was given as cause for his attempt to end her life Monday night.

C. Ronke, special agent of the Burlington, was standing in the vicinity of the Viroqua restaurant when he heard screams and saw a woman standing at a window of the Beaumont hotel. He accompanied the police to the hotel.

NEW PROPERTY CLAUSE BEING DRAFTED TODAY

(Continued from page one)

concluded in 1920 a purely defensive convention, effected through the exchange of letters which provide that the convention be effective only when mutually agreed upon.

PARIS.—By The Associated Press.—The whole European situation resulting from the developments at the Genoa conference was to be submitted to President Millerand Tuesday afternoon at a cabinet meeting which will be held under his presidency soon after the return from his long tour of the French colonies in Northern Africa.

In best informed cabinet circles, it is said that President and Premier are in full accord regarding the attitude taken toward Russia and Germany concerning France's relations with the other entente powers. M. Millerand is expected to approve M. Poincare's efforts to keep the entente intact, without sacrificing anything further in reparations or in concessions to Russia.

Cabinet Discusses Russia
WASHINGTON.—A discussion of the Russian problem as it is affected by the negotiations at Genoa, occupied most of today's session of the cabinet. It developed an opinion that the attitude of the allied governments toward the soviet regime had shaped up at Genoa in virtual agreement with the policies of the United States.

After the cabinet meeting it was said by administration officials that there had been general agreement among the cabinet members that the work now proceeding at Genoa was going forward largely along lines which had previously been laid down by the state department.

IMPRESSIVE EVENT IS WELCOME GIVEN TO NEW CITIZENS

(Continued from page one)

"America, the Beautiful." The Herald then called for the Defenders of the Flag. First came "The Spirit of '76," represented by three high school students, John Ray, Lord Naegle and Dudley Emmert.

Veterans Honored
While the audience sang "Keep the Home Fires Burning," G. A. R. veterans entered and were given seats of honor in the center of the stage. Then came those of the Spanish war veterans, and last those who only yesterday defended the Flag—the American Legion.

There were the heroes of three of America's wars on that stage before the eyes of this generation. The huge sounded—the Girls' Vested Choir of the Presbyterian church led by the director, Miss Stella Trane, took up the Processional, "God of Our Fathers," going down the west aisle and up on to the stage from the east where they sat in seats reserved

for them, representing the new citizens of today.

Burchardt Speaks
Commander Burchardt of the American Legion spoke in behalf of the comrades who are only shining memories in our hearts.

To the measured music of Chopin's "Funeral March" played by Prof. Beery of the Normal school, twelve girls of the Vocational school, in long white robes, entered from each side of the stage each carrying a laurel wreath and took places beside the Spanish war veterans and World War veterans. The Norman-Sangerkor then took their places in the center of the stage, singing "The Soldiers' Chorus," from Faust, directed by Mr. Forsteh.

The Herald then summoned the aids that we have in this democracy to help us as builders. While the audience sang "America," this group entered as follows: Visiting Nurse Y. W. C. A., Salvation Army, Social Service, Boy Scouts, Teachers, Playground and Track Sports, Physical Education, Sports, Red Cross, Dental Clinic, and Children's Clinic workers.

New Citizens Presented
Mr. Schlachach as presiding officer, then presented the new citizens to the audience. Miss Grace Orden of the Daughters of the American Revolution, representing the Spirit of the America of the past, handed a scroll to the presiding officer, requesting that the young citizens be questioned whether their hearts and aims are one with the hearts and aims of the America of the past. The spokeswoman for the young citizens was Lawrence Engelhard of the Normal school.

Mr. Schlachach then presented this group with certificates showing they had reached the age of maturity and citizenship since last year. Mr. L. A. Pierce then presented the foreign born and as he called their names each man rose.

Extends Greetings
Mr. Robert S. Colman, chief Naturalization officer, addressed the men and gave them greetings and welcome from the U. S. government, presenting them with their citizenship papers. Mr. Schlachach then presented each man with an American silk flag in the name of the La Crosse County Community Council. At the close of the presentation every one sang "Mine Eyes Have Seen the Coming of the Glory of the Lord."

Miss Freda Franzmann of the Vocational school, representing the Memorial group, pledged the American of today to the ideals of the America of the past. William Herbert, Boy Scout, joined the America of the past and the America of today, pledging the America of the future.

Pledge of Allegiance
At a signal from the Herald the entire assemblage gave the pledge of allegiance to the flag, after which they sang "The Star Spangled Banner." Then began the march of Makers of Tomorrow singing "On Wisconsin." Much credit is due Prof. Beery of the Normal for his splendid support at the piano throughout the ceremony.

Reception Follows
A reception followed at which the men and their families were entertained by the Board of Directors of the La Crosse County Community Council. Refreshments were served from a dainty table centered by a basket of sweet peas and Ophelia roses, compliments of the La Crosse Floral company.

Mrs. Adolph Gundersen, Mrs. P. Roberge, Mrs. J. Schleiter alternated in serving, assisted by Miss Alice Byron, the chairman of the reception committee. Miss Collins, Miss Anna Mashek, Miss Nora Johnson, Miss Cora Desmond, Miss Charlotte Kohn, Mrs. Susie Bruce, Miss Dorothy Wing, Miss Carrie Marsh, Miss Mary Devine, Mrs. E. C. Thompson, President of Council, Mrs. A. E. Soderberg, Chairman of Citizenship Committee, Mr. and Mrs. John B. Coleman, Mr. and Mrs. Pierce received and introduced the guest, Mr. Robert S. Colman of St. Paul. Mr. Alex Graham of Madison, President Cotton and Miss Carver of the Normal and the Vocational School Board were guests of honor with the new citizens.

At the reception the wife of each new naturalized citizen was presented by the Council with an American flag as they automatically became American citizens with their husbands.

Profitable Cruise
A power schooner cruising along the North Siberian coast this summer picked up a cargo of furs, ivory and walrus worth \$100,000.

Pimples and boils

—caused by errors of diet

A well-known skin specialist says that pimples are "signal flags of danger" often indicating errors in diet.

Indeed pimples are so frequently associated with faulty habits of eating and improper digestion that the first thing to do is to see that our food is right.

Fresh yeast is a wonderful corrective food for these skin disorders. Fleischmann's Yeast is rich in the elements which improve appetite and digestion and which keep the intestines clean of poisons.

Physicians and hospitals all over the country are recommending Fleischmann's fresh yeast for pimples and boils. It gets right at the basic cause of these complaints.

Eat 2 to 3 cakes of Fleischmann's fresh yeast daily before or between meals to keep your skin healthy. Besureit's Fleischmann's Yeast—the familiar tin-foil package with the yellow label. Place a standing order with your grocer.

BADGER CALLS FOR U. S. REGULATION OF FILM INDUSTRY

Should be Under Federal Control the Same as Railroads and Packing Plants

WASHINGTON.—Urging passage of the senate resolution calling for an investigation of the alleged political activities of the motion picture industry, Rev. S. Peterson Todd, of Milwaukee, Wis., declared Tuesday before a senate judiciary subcommittee having the resolution in charge, that congress should regulate the motion picture industry, which he described the third largest in the country, as it had the railroads and the packers.

The present federal laws prohibiting the transportation of prize fight films in interstate commerce is not effective, the witness said, because in its enforcement the federal courts imposed fines "which became licenses" and did not impose prison sentences. He stated he favored a strict federal film censorship.

Dr. Todd produced letters from the department of justice which showed that U. S. district attorney Sawyer in the eastern district of Wisconsin, was now considering the presentation of evidence to a federal grand jury asking the indictment of those engaged in the exhibition of prize fight films on the charge of conspiracy.

Dr. Todd's suggestion that the use of the silver screen in the conduct of political campaigns should be regulated, brought from Senator Shortridge of California chairman of the subcommittee, an inquiry as to how that could be lawfully done, and whether if enforced, it would not also involve an attempt to restrict the "political activity of newspapers."

M. Todd insisted that no measure of relief had been provided by congress to relieve the people from the thralldom of the motion picture industry.

Dr. Todd told the committee that he was a "lobbyist" licensed and registered as such in Wisconsin. He declared the motion picture industry paid the fines and furnished counsel for the exhibitors in that industry who were arrested for violations of the Wisconsin laws.

SUPREME COURT FAILS TO DECIDE FILLED MILK CASE

MADISON, Wis.—The action against the filled milk law passed by the 1921 legislature to prevent the manufacture or sale of a compound of skimmed milk and coconut oil in Wisconsin was not decided by the supreme court Tuesday. The case was argued in the April assignment of the court and is under consideration.

STUDENT SHOT AND COMPANION IS JAILED

OKLAHOMA CITY, Okla.—Beckham Cobb, a student at the Oklahoma Agricultural and Mechanical college at Stillwater, is dead, and Earl Gordon, of Miami, Okla., also a student, is in jail following a shooting affray on the campus Tuesday, according to word received from the president of the college. No details were given.

ORDER DISSOLUTION OF SUGAR TRUST

NEW YORK.—Federal Judges Rogers, Hough and Manton filed a dissolution order against the American Sugar Refining company and other corporate and individual defendants in the government's Sherman law suit begun twelve years ago.

CARD OF THANKS
We, the undersigned, wish to extend our thanks to the many kind neighbors and friends during the illness and death of our beloved wife and mother, also to Rev. Ralston, the singers and mailbearers and for the many beautiful floral offerings.

Mr. F. H. Oles, Mrs. Otto A. Zuehlke, Mr. Fred Oles, Mr. Earl Oles and relatives.

BIG ACTS FEATURE MAJESTIC BILL FOR FIRST THREE DAYS

J. Rosamond Johnson and his peerless five are the headliners on the vaudeville bill which appeared at the Majestic Monday, and which runs Tuesday and Wednesday. The dusky sextet are exceptionally pleasing in their rendition of the old plantation melodies and Negro spirituals. Besides being very entertaining, the act is instructive as well, a feature of it being the story of the evolution of the modern syncopated songs from the old time Negro airs. The Banjo Fantasy and the violin solo numbers scored big, as did their syncopated rag-time orchestral pieces. The musicians appearing with Mr. Johnson are: Peggy Holland, Eddie Ransom, L. C. Langster, Taylor Gordon and Leon Abbey.

Something original in the novelty line was presented by Paul Kirkland when he cavorted around the stage in time to the music, seated atop a ten-foot ladder. He also did a difficult balancing stunt on a chair. His stunts are accompanied by a comedy monologue.

Exton and Van offer a skit entitled, "This is not a movie," in which they put across a line of pleasing songs and comedy talk.

Harry E. Williams and Bert Cee Howard, who recently stopped the show with their nonsensical chatter and parodies of popular songs when they appeared here with the Dunbar Opera Follies, repeated the performance Monday night in vaudeville. They have brightened up their act by the addition of new jokes and patter, which they put over in inimitable style.

BRITAIN AGREES TO PROTECT AMERICANS IN THE HOLY LAND

LONDON.—By The Associated Press.—An agreement has been reached between the British government, as the mandatory power in Palestine, and the United States concerning the rights and protection of Americans in the Holy Land, says the Central News Tuesday.

The agreement, it is stated, provides the right of Americans and the protection they shall be accorded shall be the same as those of nationals of member countries of the league of nations.

ISSUE CROP REPORT

WASHINGTON.—Winter wheat production this year was forecast Tuesday at 584,793,000 bushels by the department of agriculture, which announced the condition of the crop on May 3 as 83.5 per cent of a normal and the area remaining to be harvested on that date as 38,131,000 acres.

HOOSIERS BEAT JAPS

OSAKA, Japan.—The Indiana university baseball nine Tuesday won its first game from Waseda university, 7 to 4. The Hoosiers, although tying Waseda, 1 to 1, on April 26, had previously gone victoryless in their games in Japan with the exception of a contest on May 6, when they defeated the Osaka Stars by the score of 9 to 4.

STEINMETZ & HART, 323 Main

CARD OF APPRECIATION

The La Crosse County Community Council wishes to express its very great appreciation to those who gave so generously to make the Citizenship Ritual possible.

We are grateful to Mr. Beery for his work. To the Normal school, President Cotton, and Mr. Van Auker for use of the Normal. Miss Foxwell and Miss Carver, the Kindergarten room, and to Prof. Fairchild, To the Vocational Teachers for their time, energy and strength in preparing costumes and supervising children. To the Salzer Seed Co., La Crosse Floral Co., To Theo. Klenahs for making memorial wreaths which made that part of the ceremony so impressive. Gram's Feed Mill, Scoutmaster Mr. Burgess, Tribune and Leader Press, Costumes High School and Congregational Church for costumes. Mr. Conte who made the costumes. Mr. Philip who assisted in the costumes. Mr. Keegan of High School, Mr. Wittich of Normal, G. A. R., Spanish War, World War Veterans, Presbyterian church choir, and the various individuals who loaned clothing and costumes. To Miss Desmond for the "Spirit of '76" and last of all to Mr. Novak the faithful janitor who stood by so valiantly till all was over and done.

We thank you all!

GIRLS IN STREET CAR COLLISION; TWO DAMAGE SUITS ON

The damage suit of Emma Knutson, against the Wisconsin Railway, Light & Power company for injuries alleged to have been sustained when a 23rd street car and a 16th street car collided between 15th and 16th streets on Main in April of last year, is now on trial in circuit court. Miss Knutson and Emma Johnson were passengers on the 23rd street car. Miss Johnson also filed suit against the street car company. Her suit probably will be taken up after Miss Knutson's case has been heard. Gordon, Law and Gordon represent the street car company and Twesme & Weber are in charge of the plaintiffs' cases.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, irritable bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

STRANGER HERE BUT HE FOUND MOONSHINE WITHOUT DIFFICULTY

Charles Allen may be 69 years old and dependent on alms for a livelihood but his ability to locate "moonshine" is unerring. This much is true, according to his own admission in county court. Allen was arrested by Policeman Wolf on Main street. Wolf says Allen was intoxicated. When arraigned before County Judge Brindley Allen declared he had just had a tooth pulled and his nerves were somewhat frazzled.

"You had no trouble finding moonshine did you?" asked the court.

"Tee-hee, tee-hee," was all that Allen had to offer.

"Plenty of it in most of the saloons, isn't there?"

"Hee-hee-hee," again smirked Allen.

Policeman Wolf said Allen had \$12 on his person when searched at police headquarters, also a number of cards which he intended passing out to passers-by, soliciting alms.

Allen will be given an examination on Wednesday.

WALES OFF FOR MANILA

KAGOSHIMA, Japan.—By The Associated Press.—The Prince of Wales Tuesday completed his official visit to Japan and sailed for Manila on board the battle cruiser Renown.

CONDITIONAL PARDON GRANTED BY BLAINE TO LA CROSSE MAN

James Hayden Who Stole Drugs, Freed; John Mitchell's Sentence Cut to Two Years

Four conditional pardons and one commutation of sentence were granted by Gov. Blaine on Tuesday. Five other applications for pardon were denied. The conditional pardons are: Jacob J. Groh, Eau Claire, an ex-convict who was sentenced to three years for larceny; Eugene Shady, Milwaukee, for whom the judge recommended release; he was sentenced to 18 months for forgery; James M. Hayden, La Crosse, a second ex-convict man who was wounded and passed in France acquiring the drug habit in army hospitals. He was sentenced to two years for stealing morphine from the offices of Dr. Frank Hoeschler. He has now been cured; Anthony Gorski, La Crosse, who was sentenced to 10 years for burglary. He has served the major portion of his sentence and is now a tuberculosis patient; John Mitchell, La Crosse, whose 5 year sentence for robbery of a Burlington box car was deemed excessive by the governor was given a commutation of sentence to two years.

Five applications for pardon denied by Gov. Blaine were those of William Baski, Milwaukee, murder; Alice Preiss, Milwaukee, larceny; Olga Preiss, Milwaukee, statutory offense; Donald Dahl, Sauk county, forgery; and Frank Prokop, Milwaukee, murder in 2nd degree.

Elephant's Sense of Smell. The elephant hunter must approach his quarry from the windward. The animal's sense of smell is so keen that it detects a hunter being at a distance of one thousand yards.

And There You Are. He—I can't be happy without you. She—Yes; but I don't think I could be happy with you.—Caledonia Journal.

NEW BEYERSTEDT ORCHESTRA OF 12 PLAYS AT RIVOLI

Noted Musical Organization is Largely Augmented for Permanent Stay at New House

Twelve pieces now comprise the big Beyerstedt orchestra, which was removed from the Majestic theater to the Rivoli with "Orphans of the Storm," and which is to remain at the Rivoli indefinitely following its big success, with the music of the Griffith triumph.

The two Beyerstedt brothers, Slim Greenloh, Gene Mendez and the other well known Beyerstedt musicians remain as the nucleus of the new organization, under the leadership of the inimitable Bert Beyerstedt, who directs with his talking violin, as formerly. The whole list of the new orchestra includes Bert Beyerstedt, violin; George Wilson, flute; Alf Modahl, clarinet; Virgil Callaway, oboe; Charley Pavok, cornet; Slim Greenloh, trombone; Fred Rick, French horn; John Ukey, viola; Reuben Thompson, cello; Gene Mendez, basso; Harry Beyerstedt, piano; Tommy Kubal, percussion.

DYED HER DRESS LIKE NEW, ALSO A CHILD'S COAT

Buy "Diamond Dyes" and follow the simple directions in every package. Don't wonder whether you can dye or tint successfully, because perfect home dyeing is guaranteed with Diamond Dyes even if you have never dyed before. Worn, faded dresses, skirts, waists, coats, sweaters, stockings, draperies, hangings, everything, become like new again. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton, or mixed goods. Diamond Dyes never streak, spot, fade, or run.

STATE HIGHWAY BODY AWARDS TWO ROAD CONTRACTS

Viroqua-Prairie du Chien; Black River Falls-Millston Federal Project Soon Under Way

Bids were taken at the office of T. M. Reynolds, Division Engineer of the State Highway Commission, on April 25th, for federal project 138, Viroqua-Prairie du Chien road in Vernon county. This project is located in the south city limits of Viroqua, southerly 2.88 miles.

The Commission has decided to award this job to the Campbell Construction company of Minneapolis, for \$78,000.24. This does not include the cement which will be furnished by the state. The cement will cost approximately \$21,400, making a total of \$99,400.24. The surfacing will be 18 ft. reinforced concrete.

Bids were also taken on Federal

Remove Pimples and Blackheads With Cuticura

Bathe with Cuticura Soap and hot water to free the pores of impurities and follow with a gentle application of Cuticura Ointment to soothe and heal. Cuticura Talcum is ideal for powdering and perfuming.

Project 214, Black River Falls-Millston Road. This job will be 18 ft. shale surfacing and was awarded to Ross Paulson, Granton, Wisconsin, for \$60,372.17.

This project is 11.3 miles long and consists of a relocation of T. H. No. 12 from Black River Falls and Millston. This will shorten the distance between Black River Falls and Millston five miles and remove the bad sandy stretch that has been source of complaints from the traveling public.

GAS CASE CALLED FOR TRIAL JUNE 1 IN MADISON COURT

The La Crosse gas case will be called for trial in the circuit court of Dane county at 2 p. m. June 5, according to notification received by City Attorney Oscar J. Swennes.

This is the case in which the Wisconsin-Minnesota Light and Power company appeals from a decision of the railroad commission of Wisconsin reducing the gas rate here 20 cents per 1,000 feet. The action was brought against the railroad commission and the city intervened as a party opposing the appeal.

BUNGE IS AWARDED SCHOLARSHIP MEDAL AT "W" UNIVERSITY

Award Given to Athlete With Highest Record in School Work

SIMILAR AWARD TO ALLAN DAVEY IN YEAR PREVIOUS

La Crosse Man Enrolls in Law School at Madison

BY BOB DUNN
George Bunge of La Crosse, football hero at Wisconsin for the past several years, has been awarded the conference scholarship medal at Wisconsin for the athlete at the Badger institution having the highest record in his school work.

The award is an annual one. Last year it was made to Allan Davey, also a football star. The year before it was given to Tony Zulfir, basketball forward and pitcher on the Wisconsin baseball aggregation.

Bunge's football days started at Wisconsin in the fall of 1917 after he had enjoyed a successful high school grid record at La Crosse. That year he played center on the freshman team at Wisconsin, an eleven captained by Rudy Blatter of La Crosse, now a student in architecture at Boston Tech.

The following year Bunge played guard on the varsity when Chuck Carpenter was captain. With the graduation of Carpenter, Bunge was shifted to his old position at center where he has remained since.

Following completion of his work on the hill, Bunge enrolled in the Wisconsin law school where he is taking work now. The award of the scholarship medal to the La Crosse man is the more noteworthy because the course in the law school is considered one of the most difficult in the university curriculum.

REPUBLICANS ARE INTERESTED IN COUNTY MEETING

Republicans of La Crosse county were today evincing considerable interest in the county conference at the court house Wednesday night, called to select 20 delegates and 20 alternates to the Citizens' republican state conference at Milwaukee on June 1. A large attendance is assured at the meeting tomorrow night.

This call was issued by the Committee of Forty-four, and the call for a county conference was issued by a county committee representing the state conference.

HOLD REFERENDUM ON FATTY ARBUCKLE IN LOCAL THEATERTOM

Whether La Crosse will see a return to the screen of Fatty Arbuckle may be decided by a referendum of patrons now being held by the Rivoli and Majestic theaters. The vote is confidential, on ballot forms provided by the Famous-Players-Lasky company who had Arbuckle under contract when he got into trouble on the coast. It is understood that the result of the referendum, being taken all over the country, is to be presented to Will Hays, new chief of the movies.

JULY DATES HAVE BEEN ACCEPTED FOR ROYAL YACHT RACES

MONTREAL—July 20, July 31, and August 1, have been accepted as the three days on which the Royal St. Lawrence Yacht club challenges will sail against the White Bear Yacht club's defenders for the royal St. Lawrence challenge cup at St. Paul, Minn.

DEMPSEY TO LEAVE FOR LONDON TUESDAY

PARIS.—By The Associated Press.—After postponing his departure from Paris several times, Jack Dempsey finally made up his mind to break away from the attractions of the French capital and leave for London Tuesday afternoon. He spent the morning shopping and returning the visits of friends. Among his purchases were several quarts of exotic perfumes.

"I'm glad it's all over," he said as he started to pack his trunk.

COACH KEOGAN DRILLING HIGH SCHOOL TRACK MEN FOR MEET WITH WINONA TEACHERS' SOON

THE high school track team is fast developing into real form under the direction of Coach Keogan who is now picking his squad to compete with the Winona Teachers' college a week from this Friday. Although the material is practically new, a better team than last season is expected. Keogan has discovered good men in all events.

Among the fifty or more trying out the following have shown up well: Holley, O'Neil, Morris, Ettinger, and Zoerb in the sprints; Lisovec, Bateman, and Dunham in the weights; Cameron in the quarter mile, and 220; Shephardson in the high jump; Weigert in the pole vault; Engbreton, Harget, MacDonald, and Hanson in the mile. The hurdlers have not as yet appeared in good form, but Molzahn is thought by many track men, able to take the lead in that event.

Friday night will start the fire-

works for the track season, when the interclass meet will take place. The first event will start at 3:30 in the afternoon. It is very probable that several good track men, hitherto concealed, will come out. After this meet Coach Keogan will no doubt pick his warriors to battle against Winona on the following Friday.

Coach Keogan has also announced his intention in order to teach the new football prospects the fundamentals of the game, and develop to an accurate degree the complicated plays he intends to flash before high school football fans with the team that is expected to cop the state title next fall. In the call recently made for the football men, he urged special attention to their studies, as he wants no one to be ineligible for football because they are down in their school work. Spring football will start immediately and a large squad is urged to come out.

RECRUIT TWIRLER WHIPS WHITE SOX

Murray Called to Relieve Hoyt, Saves Day for the Yankees

OLSEN TURNS IN VICTORY FOR TIGER CLUB, 6 TO 2

Nationals Into Cellar; Browns Turn Trick

NEW YORK.—The New York Americans won the first game of their series with Chicago on Monday, 7 to 5. Hoyt was replaced in the fifth by Murray, a recruit, who held Chicago in check until the ninth, when Mays relieved him and stopped a rally. Score:
Chicago 010 310 000—5
New York 120 013 000—7
Batteries: McWeeney and Schalk; Hoyt, Murray, Mays and Devorner.

Tigers 6; Red Sox 2
BOSTON.—Olsen pitched effectively for Detroit on Monday, the visitors defeating Boston, 6 to 2. The work of Rigney and Clark featured. Score:
Detroit 001 200 021—6
Boston 000 000 101—2
Batteries: Olsen and Bassler; Quinn, Russell and Ruel.

Browns 6; Griffs 5
WASHINGTON, D. C.—St. Louis showed Washington to the bottom of the race by winning a loosely played game on Monday, 6 to 5. The locals led until the ninth, when Jacobson's triple, Severid's single and a double by Williams gave the visitors their winning margin. Score:
St. Louis 002 000 203—6
Washington 023 100 000—5
Batteries: Danforth, Pruett, Henry Shocker and Severid; Johnson, Mordridge and Ghaptry.

Indians 14; Macks 4
PHILADELPHIA.—Hammering three Philadelphia pitchers for seventeen hits enabled Cleveland to take the first game of the Philadelphia series, 14 to 4. The hitting of Jamieson and Sewell were the features. Uhle kept the Athletics' eleven hits well scattered. Score:
Cleveland 102 072 020—14
Philadelphia 100 000 021—4
Batteries: Uhle and O'Neill; Hasty, Naylor, Eckert and Perkins; Fuhrman.

OTHER RODS
The main thing in favor of the three-piece rod is the fact that you can stick it in a suitcase and carry it without any bother. Every place you put a ferrule on a rod kills that much more resiliency in the bamboo. The ferrule is unbreakable and at that point comes the break when the load on the bamboo is too severe; this is a hundred-to-one shot, and you can play it clean across the board and never take a chance on your money. Although serrated ferrules are used in the more expensive rods, they cannot eliminate the severe strain which generally causes the rod to break either right above or below the ferrule. Even at that, the three-piece rod is stronger than the two-piece rod when the ferrule on the latter is in the middle.

Early in the bait-casting game the rods were generally made either four or four and a half feet in length, but as the sport grew in popularity, they stretched them up to six and a half feet, making all stops between. It is a matter of personal choice as to length, probably the most popular size being the five-footer. This makes a rod that has a good swing to it and still carries enough backbone to hold the big ones, and at the same time is long enough to give fine play in landing the fish. For overhead casting while sitting in a boat, the five-footer makes an ideal size, and it is about right for distance casts. Split-bamboo rods average about an ounce to the foot, and at that rate five-footer would only tax your wrists to the tune of five ounces, which isn't such a great old load to toss around during the day's fishing.
(Copyright, 1922, Stewart Eddy Co.)

Ate the Camels and Cats
The distribution of the American relief in Russia is interfered with in many instances by the lack of transportation facilities to take the goods away from the trains. This is owing to the fact that the horses and camels have been eaten. The supplies in storage are often devoured by rats which over-run the country owing to the disappearance of the cats which were also used as food.

PIRATES STAGE HOT FINISH; LICK ROBINS

Enter Ninth Three Behind and Defeat Dodgers, 8 to 7

PITTSBURG.—The Brooklyn Dodgers opposed the Pittsburgh Pirates on Monday, the game being won by Pittsburgh, 8 to 7. The Pirates entered the ninth inning three runs behind and hits by Grimes, Mattox, Doherty (hitting for Yellowhorse) and Ens scored four runs and won the game. Score:
Brooklyn 201 000 130—7
Pittsburgh 011 000 024—8
Batteries: Grimes, Mamaux and Miller; Morrison, and Gooch, Mattox.

HARDING TAKES UP HORSEBACK RIDING TO GET EXERCISE

WASHINGTON.—President Harding plans to take up horseback riding more actively, it was learned Tuesday in order to get more open air exercise. The white house aids are said to be getting in trim to accompany the chief executive on the bridle paths around Washington.

MUD GEYSERS IN ERUPTION
EL CENTRO, Calif.—A spectacular eruption of the mud geysers in Salt Sea, near here, sent mud, smoke and steam two hundred feet into the air, according to a report here Tuesday of a number of persons who witnessed the phenomenon. The eruption came without warning and continued twenty minutes.

SPORT BRIEFS

DECATUR, Ill.—The sale of third baseman McCue of the Moline club of the Three-I league to the Philadelphia Americans was announced.
CHICAGO.—University of Chicago defeated Northwestern university at tennis winning in both singles and doubles.
BERKELEY, Calif.—The East won the East vs. West tennis tournament by taking three of the five matches.
WASHINGTON.—The National

Amateur Athletic federation was organized to promote more wholesome sports in America.

Following the Floods

THE excessive rains of the past month have seriously retarded farming operations. As soon as field work is possible farmers will be busy night and day preparing the ground and seeding the land that they may maintain an adequate food supply for the nation. This year, for the farmer, time is an imperative factor.

More than 140,000 tractors are owned in the 11 Middle Western States served by the Standard Oil Company (Indiana). These tractors are being overhauled, lubricated, and put in condition to perform essential labor, for which horse power would be totally inadequate.

The number of horse hours per day is limited by the strength of the horse, while the number of motor hours per day is limited only by the number of hours.

During this rush the demand for gasoline will be heavy. The Standard Oil Company (Indiana) is prepared to supply this demand. Its storage tanks and bulk stations located at strategic points throughout the territory are full. Its supply depots, service stations, and tank wagons are prepared to make Red Crown gasoline instantly accessible to the farmer when his need arises.

The Standard Oil Company (Indiana) may be depended upon to perform this service adequately—first, because it has provided sufficient field storage to take care of even an abnormal demand. Second, because it maintains distributing facilities which form the most perfect system of its kind.

Only a big organization, big in spirit of enterprise and social service and big in resources, can cope adequately with the growing motor needs of the Middle West. In carrying on its business the Standard Oil Company (Indiana) operates 6 large refineries, 8821 bulk stations, 1521 filling stations, and a fleet of 6600 tank delivery trucks.

It is due to the efficiency of this vast organization that the Standard Oil Company (Indiana) is able to guarantee that the needs of the farmer for petroleum products will be supplied.

Public Debate

GRAP THE GARBAGE

ribune.
air. It seems to me, that
system of simply throw-
into the garbage can and
there to decompose, until
ected, is one that could be
approved upon. I have lived
opolis for a number of years

They have found the plan of
up all garbage in paper be-
placed in the can, such a
one that they have made it
ulation. In the city of Wash-
overed hundreds of dollars
cans every year for the
not rust out as they do under
but last almost indefin-
the garbage wrapped up in
does not decay so fast. It
always comes out very clean
never the odor that there
all the garbage is free to the
the lining of the can is not
by the acid of the decaying
offs nor are so many gnats
is attracted to the garbage
the parts of the city
garbage collected but once or
week the garbage can be-
an excellent place for the
of disease germs and where

is collected so irregularly it is
sible to clean the can often.
All of these unpleasant con-
could be eliminated if we were
to wrap up our garbage, to
thing of the additional ease
which it could be collected.

"PIRATES OF PENZANCE" GIVEN BY GLEE CLUBS

Opera Staged Under Direction of
Miss Trane

"Pirates of Penzance," the opera given by the Boys' and Girls' Glee clubs under the direction of Miss Trane, was presented Saturday afternoon and evening at the La Crosse theater.

Dorothy Frizzell and John Lord, who took the leading parts—of Mabel, General Stanley's youngest daughter, and Frederic, a pirate, respectively, were worthy of much praise. Their voices were well suited to the difficult singing roles and their solos as duets were particularly commendable.

William Doherty as king of the pirates was indeed ferocious looking, while Henry Knothe as Samuel, his lieutenant, supported him faithfully.

Gage Staats as Major General Stanley, father of so many daughters, is due much credit for his exceptional acting. The three daughters, Kate (Clara Wagner), Isabel (Sarah Magelsson), and Edith (Marion Holze), were very affectionate to their old father.

The role of Ruth, Frederic's nurse (Dorothy Rothaupt), was a good portrayal of clever emotional acting and singing.

Emmett Lyons, the sergeant, and his police force added in humorous touch to the theme. The scene of the girls coming over the rocks in the first act was especially charming, while in the second act the few candles and black surroundings presented a true picture of the dark night in the ruined courtyard.

The pirates in their gay costumes and the girls in their dainty organdies gave color to the scenes, while they rendered the best support to the principals with their singing.

Janette Holze and Katherine Herbert danced between the acts. The orchestra interpreted the various scenes with excellent feeling. Miss Trane deserves much praise for the success of the performance. Miss Briggs also helped coach the opera.

TRACK MEET TO BE HELD

The inter-class track meet will be held Friday afternoon of this week. Not much is as yet known of the relative strength of each class. This meet will, however, bring to light those men who will probably represent La Crosse in the dual track meet May 20 with the Winona Teachers' college. Liscover and Bateman seem to be strong contenders for places in the weights. Tubins and Harger are also looking for recognition in these events.

In the distance runs McDonough, Birnbaum and Hansen are expected to place. There are several men out for the sprints, the best of which are: Jorris, Cameron, Zoch, Molzahn and Holze.

Shepardson and Jorris will probably place near the top in the high jump, and Jorris and Holze in the broad jump. Nothing is positively known about the pole vault, except that a few have done a little vaulting before. These are Tausche, Weigert and Holley. The hurdles will probably prove very interesting because there is no one in school who has had any experience in this event.

Everyone is expected to come out for this meet and represent his class.

Dying Languages in America

Nowhere in this country has there been such a diversity of Indian languages as in California. But these languages are now rapidly disappearing. Several of them are known only by five or six and others only by twenty or thirty living persons, and scarcely a year passes without some dialect, or even language, ceasing to exist through the death of the last individual able to speak it. Efforts are being made to record all languages for the sake of the light they throw on the ancient history of the Pacific coast.

DR. E. EVANS GIVES SPEECH ON "SERVICE"

Vocal Selections by Mrs. Whelpley
and Glee Clubs

"Home is and must always remain the basis of the commonwealth," said Dr. Evans in his address on "Service" to the students of the La Crosse high school on Wednesday morning.

In continuing, he said, "Don't forget that while you are students in this wonderful school, it is your duty to give service to your community."

He then pointed out that the great trouble today with school children is "discipline" or lack of self discipline. Students want their teachers to pour into them pre-digested stuff.

"Service consists in doing little things," said the doctor, and he told how the whole history of Greece was changed by a mosquito. He said that one should not despise little things because in reality they count.

In concluding he added that it was not fair for a person to remain in school if he flunked continually, but he should go to some other place and learn the habits of industry.

The musical program consisted of some interesting parts from the opera and two selections by Mrs. Whelpley. Both "The Spring Song" and "The Day is Done" met with decided approval of the audience.

Eustace Boyle, as chairman, ably conducted the assembly.

SCHOOL GOSSIP

JULIUS CAESAR

Want to see a good picture? Just come around to the La Crosse Theater on May 10 and see "Julius Caesar."

It is a photo-masterpiece. The picture opens at his twentieth birthday and shows his secret marriage, the wrath of Sulla and Caesar's exile. Twenty years later he returns to Rome at the news of Sulla's death and the picture then follows him until his death in 44 B. C.

More than twenty thousand people appear in some of the big scenes, all the while showing even the small details in regard to the customs, dress, art and military science of the time. In another part of the picture, we find glimpses into the intimate social and political life.

Te part of Caesar is played by Anthony Morelli, who has a very great resemblance to Caesar.

The picture is being brought here by the "Nota Bene" Latin Club and will be presented at the La Crosse Theater.

Don't forget May 19. Queen's asked (After a heated discussion on "Woman's place in the world.")

N. S. "Man should be the master because he accomplished all the important things."

M. G. "Aw, gee! look at Columbus. If it hadn't been for Queen Victoria he'd never have discovered America."

KIMBALL SPEAKS TO CLASS

Miss Kimball, city supervisor of nurses, addressed the advanced physiology classes last Tuesday, speaking on the topic of communicable diseases.

In her instructive address, Miss Kimball emphasized the importance of a strict quarantine, and commended the city Health Department for its work in this respect. She anticipates in the near future examination of the children in the lower grades by the Schick's test which will determine whether they are immune

to certain diseases or not. This will aid in the prevention of communicable diseases that spread so rapidly among children and improve the health of the community.

With the completing of the last morale campaign this week the committee in charge of the Library Round Table program for Friday evening has decided to use these morales in connection with a program on the life and work of George Washington. Superintendent McCormick will give a talk about one of his trips East on which he visited Mount Vernon, Washington's home.

The program is as follows:

His Home and School Responsibility—Mary Reed
His Honesty—Dorothy Curtis
His Good Manners—Marguerite Berg
A Square Deal as Practiced by Washington—Valeria Gautsch
His Courage—Alice Mae Munkby
His Loyalty—Marvel Bott
His Service—Elizabeth Lueck
His Work—Dorothy Fess
Washington as President—Edna Burand

Discussion of foregoing—Mary Turnbull, Elizabeth Leipelt, Margaret Banan

DECLAMATORY
In the declamatory contest which was held at the La Crosse Normal

auditorium on Friday afternoon, Elizabeth Robins of Wilton won first place.

Miss Robins will represent our district in the state contest which will be held at Madison on May thirtieth. She gave as her selection "Mercedes" and delivered it in a very interesting way. It is assured that she will be one of the best contestants out for state championship.

Lucile Stumpf of Blair, having as her selection, "Patsy," was given second place, while Roberta Lanouette of La Crosse, giving "The Soul of the Violin" received third. Both selections were well given.

Professor Long of the Normal School acted as chairman of the program.

Previous to the declamatory contest, the Normal School Male Quartet gave two selections.

The contest was well attended and enjoyed by all.

Trisby, we read, once played in motion pictures. Get man down and everybody kicks him.
Croatia and Bosnia have determined to secede from Jugo-Slavia.

Summer Term Begins June 6th and 13th.

Twice a week we prove to you that our graduates secure positions 52 weeks in the year

April 8, 1922.

Wisconsin Business University,
La Crosse, Wisconsin.

Gentlemen: The school is better than represented. The course in Office Practice is one of the best things taught in any business college to prepare the student for the work. I have met several "WBU" graduates in Milwaukee and they are all well located. Miss Florence Schell, who finished the regular stenographic course has a splendid position with lots of chance for advancement. Miss Helen Schauf has been employed in Minneapolis for nearly two years. I am told by business men of Milwaukee that the Wisconsin Business University graduates have a better chance of securing positions in that city than have graduates of business colleges right there in Milwaukee. I have an excellent position with the Northern Portable Conveyors & Manufacturing Company of Milwaukee. The position requires a thorough knowledge of shorthand typing, book-keeping and general office work. A course at the "WBU" is certainly worth at least ten times the amount of money and time it takes to take same.

Very truly yours,
IRENE HALPIN.
Of Alma Center, Wis.
With Northern Portable Conveyors & Manufacturing Co., Milwaukee, Wis.

Why wait until fall? Why always go with the crowd? The crowd never pays your bills nor does anything for you except give you competition. Act for yourself. Start now and save time and money. Be in a position by the time others are starting next fall.

Don't worry about a position. As soon as you are ready the position will be ready.
Start on the road to success by sending for catalog today.

Advanced Courses for high school students.
Regular courses for eighth grade students.

The "WBU" is the only school that has this efficient money-saving, time-saving plan.

TUITION BY THE MONTH
